We have audited the accompanying financial statements of NSDL Payments Bank Limited ("the Bank"), which comprise the Balance Sheet as at 31st March, 2022 and the statement of Profit and Loss Account and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements together with notes thereon give full information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013, in the manner so required for banking Companies and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a. in the case of Balance Sheet , of the state of affairs of the Bank as at March 31,2022;
- b. in case of the Profit and Loss Account , of the loss of the Bank for the year ended on that date;
- c. in the case of Cash Flow Statement , of the cash flows of the Bank for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Bank's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report but does not include the financial statements and our auditor's report thereon. The Other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Bank's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibility for the Audit of Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

V. Sankar Aiyar & Co.,
Chartered Accountants

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Financial Statements of the Company for the year ended 31st March 2021 was audited by the predecessor auditor who expressed an unmodified opinion on those financial statements vide their reports dated 18th May 2021. Our conclusion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. The Balance Sheet and Profit and Loss Account and Cash Flow Statement have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949 read with Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014.
2. As required by Section 30(3) of the Banking Regulation Act, 1949, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and have found them to be satisfactory;
 - (b) The transaction of the Bank, which have come to our notice have been within the powers of the Bank; and
 - (c) Since the bank is having only one branch, the question on reporting the number of branches audited by us and the manner of audit thereon does not arise.
3. As required by Section 143 (3) of the Act, we report that:
 - (d) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (e) In our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books.
 - (f) The balance sheet, the statement of profit and loss and the cash flow statement dealt with by this report are in agreement with the books of account.

- (g) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 in so far as they apply to the Bank;
- (h) There are no material observations or comments on the financial transactions or matters which have any adverse effect on the functioning of the Bank;
- (i) On the basis of written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (j) With respect to the adequacy of the internal financial controls with reference to financial statements of the Bank and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (k) With respect to the other matters to be included in Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended

In our opinion and to the best of our information and according to the explanations given to us, being a banking company, Section 197 of the Act related to managerial remuneration is not applicable

- (l) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, we report as under:
- i) The Bank does not have any pending litigations which would impact its financial position;
- ii) The Bank has made adequate provisions, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts-Refer note 19.3.6 of schedule 19 to the financial statements;
- iii) The bank is currently not liable to transfer any amount to the Investor Education and Protection Fund.

Annexure A to the Independent Auditor's Report

[referred to paragraph 9(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report]

Report on the Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of NSDL Payments Bank Limited ("the Bank") as at March 31, 2022 in conjunction with our audit of the financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Bank's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that

V. Sankar Aiyar & Co.,

transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NSDL PAYMENTS BANK LIMITED

18. Significant Accounting Policies

1. Background

NSDL Payments Bank Limited ('the Bank') was incorporated on 17th August 2016 under the Companies Act, 2013. The Bank is primarily engaged in the business of

- Accepting demand deposits in the form of savings bank deposits,
- To provide payment/ remittance/recharge services through its mobile application,
- Issue of debit cards for point of sale/Ecommerce and ATM transactions,
- Accepting demand deposits in the form of current account deposits,
- Offering domestic money transfer, Aadhar enabled payment services, Micro ATM transactions through Business Correspondents
- Issuing co-branded prepaid cards to customers through agreements with programme managers
- Offering mutual fund investment services through mobile app,
- Offering Bank verification services for corporate brokers,
- Offering insurance investment services through mobile app,

The RBI has granted license to carry on payments bank business in India, under Section 22(1) of Banking Regulation Act, 1949 subject to terms and conditions mentioned vide their letter dated 30 March 2017. Thus, the Bank commenced banking business on 29th October, 2018.

2. Basis of preparation

- 2.1 The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting except otherwise stated in accordance with the generally accepted accounting principles in India to comply with the statutory requirements prescribed under the Banking Regulation Act, 1949, the circulars and guidelines issued by the Reserve Bank of India ('RBI') from time to time and the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and practices generally prevalent in the banking industry in India.

The financial statements are presented in Indian Rupees ("Rupees" or "Rs") and all amounts are rounded off to the nearest lakhs except as stated otherwise). The Notes to Accounts under Schedule 19 are rounded off to the nearest crores.

2.2 Use of estimates

The preparation of the financial statements requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, revenues and expenses during the reporting period and disclosure of contingent liabilities at the date of the financial statements. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revisions to the accounting estimates are recognised prospectively in the current and future periods.

2.3 Going Concern

The Bank is operationally and financially fully supported by the holding company. In view of the Holding company's commitment to the business, the financial statements have been prepared on a going concern basis.

NSDL PAYMENTS BANK LIMITED

3. Investments

Classification:

In accordance with the RBI guidelines on investments classification and valuation, investments are classified at the time of purchase as:

- Held For Trading (HFT)
- Available For Sale (AFS)
- Held To Maturity (HTM)

However, for disclosure in the Balance Sheet, investments in India are classified under six categories-

- Government Securities,
- Other approved securities,
- Shares,
- Debentures and Bonds,
- Investment in Subsidiaries/Joint Ventures
- Others (MF units, CD/CP, etc.)

Basis of Classification:

Investments that are held principally for sale within a short period are classified as HFT securities. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days, are reclassified as AFS securities.

All other investments are classified as AFS securities.

Acquisition cost:

Costs including brokerage and commission pertaining to investments, paid at the time of acquisition, are charged to the Profit and Loss Account. Broken period interest on debt instruments and government securities are considered as a revenue item under Profit and Loss account as per RBI guidelines. Cost of Investments is based on first in first out method.

Valuation:

Investments are marked to market on a periodical basis as per relevant RBI guidelines. The market or fair value of quoted investments included in the 'AFS' and 'HFT' categories is measured with respect to the market price of the scrip as available from the trades or quotes on the stock exchanges, SGL account transactions, and price list of RBI or prices declared by Financial Benchmark India Private Limited (FBIL) as at the year end.

The market or fair value of unquoted government securities included in the 'AFS' and 'HFT' categories is determined as per the price published by FBIL. Net depreciation, if any, within each category of each investment classification is recognised in the Profit and Loss Account. The net appreciation if any, under each category of each investment classification is ignored, except to the extent of depreciation previously provided.

Treasury Bills, being discounted instruments, are valued at carrying cost.

Units of mutual funds are valued at the latest repurchase price/net asset value declared by the mutual fund.

Realised gains/losses on investments under the AFS and HFT category are recognised in the Profit and Loss Account.

The Bank follows 'Settlement Date' accounting for recording purchase and sale transactions of securities.

NSDL PAYMENTS BANK LIMITED

Disposal of Investments

Profit/Loss on sale of investments under the aforesaid three categories are taken to Profit/Loss account. The profit from sale of investments under HTM category if any, net of taxes and transfers to Statutory Reserve is subsequently appropriated to "Capital Reserve".

4. Revenue recognition

Revenue is recognised to the extent, that it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured.

Investing and other activities

Income on account of interest and other activities are recognised on an accrual basis. Interest income on discounted instruments is recognised over the tenure of the instruments so as to provide a constant periodic rate of return. Interest income is recognised in accordance with AS-9, Revenue Recognition on time proportion basis.

Other Revenues

Service revenue is recognised on completion of provision of services. Revenue is recognised on transfer of all significant risks and rewards, reasonable right of recovery is established and when no significant uncertainty exists regarding realisation of consideration. The Bank recognises non-refundable (i.e. without clawback) affiliation income/one time integration income upfront on accrual basis, on business tie ups with partners, in the event of signing of the business agreement or on acceptance of the commercial terms.

Minimum balance charges recovery on deposit accounts are recognised on realisation basis. All other fees/commission is accounted for as and when they become due.

Provision for doubtful debts

The Bank provides for the amounts where the management is of the view that the amounts are not recoverable.

5. Property, Plant and Equipment (Tangible and Intangible), Depreciation/Amortisation

Property, Plant and Equipment (Fixed assets) are carried at cost of acquisition less accumulated depreciation and impairment, if any. Cost includes initial handling and delivery charges, duties, taxes and incidental expenses related to the acquisition and installation of the asset. Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably.

Capital work-in-progress includes cost of assets under development that are not ready for their intended use and reflects advances paid to acquire those assets, vendor payments made towards the development of the asset directly attributable towards development of intangible assets.

Intangible assets with finite useful lives are carried at cost and are amortised on a straight-line basis over their estimated useful life and charged to Profit and Loss Account.

Fixed Asset having value of Rs.5,000/- & less has been fully depreciated in the year of purchase.

Depreciation is provided over the estimated useful life of a fixed asset on the straight-line method from the date of addition.

The Management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of fixed assets for which a technical evaluation has been done by the Management this year. The assets residual value and useful lives are reviewed at each financial year end or whenever there are indicators for review and adjusted prospectively.

NSDL PAYMENTS BANK LIMITED

Asset category	Estimated Useful Life
Application software	5 years
Office Equipment	5 years
Computers and data processing units	6 years
- Servers and networks	3 years
End user devices, such as, desktops, laptops, etc.	
Electrical Installations and Equipment	10 years
Furniture and Fittings	10 years
Leasehold Improvements	5 years

6. Impairment

The carrying amounts of assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. An impairment is only reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognised.

7. Transactions involving foreign exchange

Foreign currency income and expenditure items of domestic operations are translated at the exchange rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities of domestic operations are translated at closing exchange rates notified by FEDAI relevant to the balance sheet date. The resulting gain or loss on revaluation are included in the Profit and Loss Account

8. Employee Benefits

The Bank's post-employment benefits include Defined Benefit Plan and Defined Contribution Plans. The Bank also provides other benefits in the form of compensated absences, by way of Privilege Leave and Sick Leave.

Defined Benefit Plans:

Gratuity:

Under the Defined Benefit plan, the Bank provides retirement obligation in the form of Gratuity. In terms of the plan, a lump sum payment is made to eligible employees at retirement or termination of employment based on respective employee salary and years of experience with the Bank. Gratuity liability is defined benefit obligation and is provided on the basis of actuarial valuation based on projected unit credit method made at the end of each financial year. The Bank contributes towards gratuity fund (defined benefit retirement plan) administered by identified insurer for eligible employees. Under this scheme, the settlement obligations remain with the Bank, although insurer administers the scheme and determine the contribution premium required to be paid by the Bank. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Bank.

NSDL PAYMENTS BANK LIMITED

For defined benefit plans, the difference between the fair value of the plan assets and the present value of the plan liabilities is recognised as an asset or liability in the balance sheet. Scheme liabilities are calculated using the projected unit credit method and applying the principal actuarial assumptions as at the date of balance sheet. Plan assets are assets that are held by a long-term employee benefit fund or qualifying insurance policies. All expenses in respect of defined benefit plans, including actuarial gains and losses, are recognised as a part of salary cost.

Compensated Absences:

The employees of the Bank are entitled to compensated absences based on the un-availed leave balance as well as other long-term benefits. The Bank records liability based on actuarial valuation computed under projected unit credit method.

Compensated absences by way of Privilege Leave and Sick Leave are provided for based on estimates of encashment/availment of leave. The Bank provides for the compensated absences based on actuarial valuation as per projected unit credit method conducted by an independent actuary. Actuarial gains/losses are considered as a part of salary cost and included in capital work in progress.

Defined Contribution Plan:

The Bank's contributions to defined contribution plans are recognised as a part of salary cost as they fall due. The Bank has no further obligations under these plans beyond its periodic contributions. The distinction between short-term and long-term employee benefits is based on expected timing of settlement rather than the employee's entitlement benefits.

9. Leases

Finance Lease:

Lease contracts where substantially all the risks and rewards incidental ownership has been transferred to the Bank are classified as Finance Lease.

Finance Lease is capitalized at the inception of the lease at fair value of the leased property or present value of minimum lease payments, whichever is lower and corresponding rental obligation with finance costs are included in other Financial Liability. Lease payments are apportioned between finance cost and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of liability. Finance charges are recognised in finance costs in the statement of Profit and Loss account. A leased asset is depreciated over lower of the useful life of the asset or period of lease term.

Operating Lease:

Leases where the lessor transfers substantially all the risks and rewards of ownership of the leased asset are classified as finance lease and other leases are classified as operating lease.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

10. Taxation

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the relevant provisions of Income tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off assets against liabilities representing current tax and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The impact of changes in the deferred tax assets and liabilities is recognised in the Profit and Loss Account.

NSDL PAYMENTS BANK LIMITED

Deferred tax assets are recognised and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax asset can be realised against future profits.

At each balance sheet date, unrecognised deferred tax assets of earlier years are re-assessed and recognised to the extent that it has become reasonably or virtually certain, as the case may be, that future taxable income will be available against which such deferred tax assets can be realised.

11. Earnings Per Share

The Bank reports basic and diluted earnings per share in accordance with AS-20, Earnings Per Share. Basic earnings per share is computed by dividing the net profit/ (loss) after tax by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end except where the results are anti-dilutive.

12. Provisions, Contingent Liabilities and Contingent Assets

In accordance with AS-29 relating to Provisions, Contingent Liabilities and Contingent Assets; a provision is recognised when the Bank has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

No provision is recognised and a disclosure of contingent liability is made when there is:

- A possible obligation arising from a past event, the existence of which will be confirmed by occurrence of one or more uncertain future events not within the control of the Bank; or
- A present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

Contingent assets are not recognised in the financial statements.

13. Cash and cash equivalents

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

14. Cash flow Statements

Cash flows are reported using the indirect method, whereby the net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Bank are segregated.
